

July 16<sup>th</sup>, 2025**Exhibit TICAD Business Expo & Conference**

Denyo Co., Ltd.

TICAD Business Expo & Conference, taking place in Yokohama, Japan from Wednesday, August. 20(JST). This is a platform that aims to connect Japan and Africa through business, investment, and innovation. It will promote the technologies and services of Japanese companies to African heads of state, ministers, and business leaders.

Denyo will present how its engine-driven generators and engine welders can help address the diverse challenges faced by countries across Africa, and how these solutions can contribute to sustainable development in the region. At the Denyo booth, we will showcase our engine welder DLW-400LSW model. Visitors will have the opportunity to see the actual product firsthand, making it easier to understand the quality and capabilities of Denyo's equipment. We warmly invite all attendees to stop by and learn more about our offerings.
